

# Beijing Jiaotong University

**Program:** in alphabetic order; “K”, national key program

**Degree:** “B”, Bachelor; “M”, Master; “D”, Ph.D.

Program	Degree
Accounting	B, M, D
Accounting and Finance	B
Administration Management	M
Applied Chemistry	M
Applied Mathematics	M
Architecture	B
Art Design	B, M
Automation	B
Basic Mathematics	M
Bioengineering	B
Bridge and Tunnel Engineering	M, D
Business Administration	B, M, D
Business Market	B
Chemical Engineering	M
Circuits and System	M
Civil Engineering	B
Communication and Information System (K)	M, D
Communication Engineering	B
Computational Mathematics	M
Computer Application Technology	M, D
Computer Architecture	M
Computer Science	B
Computer Software and Theory	M, D

Condensed Matter Physics	M
Control Theory and Control Engineering	M
Defense Economics	M
Disaster Prevention, Reduction and Protection Engineering	M, D
Dual Foreign Languages	B
Economic Law	M
Economics	B
Education Economy and Management	M
Education Technology	M
Electric Machinery and Electric Apparatus	M
Electrical Engineering and Automation	B
Electrical Information Engineering	B
Electromagnetic Field and Microwave Technique	M, D
Electronic Commerce	B
Electronic Science and Technology	B
Engineering and Project Management	M, D
Engineering Management	B
Engineering Mechanics	M, D
Engineering Thermophysics	M
English	B
English Language and Literature	M
Environment Engineering	B, M
Environmental Geotechnical Engineering	M, D
Environmental Science	M
Finance	B, M
Financial Management	B
Fluid Mechanics	M
Foreign Linguistics and Applied Linguistics	M

Geological Engineering	M
Geotechnical Engineering	M, D
Heat Supply, Gas Supply, Ventilation and Airconditioning Engineering	M, D
High Voltage and Insulation Technology	M
History of the Development of Marxism	M
Human-Machine Interaction Engineering	D
Hydrogeology and Engineering Geology	M, D
Ideological and Political Education	M, D
Industrial Economics (K)	M, D
Industrial Engineering	B
Information and Communication Engineering	B
Information and Computing Science	B
Information Network and the Security	M, D
Information Science	M, D
Information Security	D
Intelligent Traffic Engineering	M, D
International Economics and Trade	B
International Law	M
International Trade	M
Labor Economics	M
Land Resources Management	M
Law Science	B
Logistics Management	B
Logistics Management and Engineering	M, D
Management Information and Information System	B
Management of Tourism	B, M, D
Management Science	M, D
Management Engineering	B

Marketing	B
Marxism Philosophy	M
Marxism Sinicization Studies	M
Master of Business Administration	MBA
Material Physics and Chemistry	M
Material Processing Engineering	M
Material Science	M
Measurement and Control Technology and Instrument	B
Measurement Technology and Automation Instruments	M
Mechanical Design and Theory	M, D
Mechanical Electronic Engineering	M
Mechanical Engineering and Automation	B
Mechanical Manufacture and Automation	M
Microelectronics Field and Solid-State Electronics	M
Municipal Engineering	M, D
National Economics	M
Operations Research and Control Theory	M, D
Optical Communication and Mobile Communication	M, D
Optical Engineering	M
Optical Information Science and Technology	B
Optics	M, D
Overseas Marxism Studies	M
Pattern Recognition and Intelligence System	M
Philosophy of Science and Technology	M
Photogrammetry and Remote Sensing	M
Physical Electronics	M
Plasma Physics	M
Power Electronics and Electrical Drive	M, D

Power Machinery and Engineering	M
Power System and Automation	M, D
Principle of Marxism	M
Probability Theory and Mathematical Statistics	M
Quantitative Economics	M
Quantum Physics and Nuclear Physics	M
Radio Physics	M
Regional Economics	M
Road and Railway Engineering	M, D
Safety Technology and Engineering	M, D
Security Management and Engineering	M, D
Signal and Information Processing (K)	M, D
Social Medicine and Health Service Management	M
Social Security	M
Software Engineering	B
Solid Mechanics	M
Sonics	M
Statistics	M
Structural Engineering	M, D
System Analysis and Integration	M, D
Systems Engineering	M, D
Systems Theory	M
Technology Economy and Management	M, D
Theoretical Physics	M
Theory and New Technology of Electrical Engineering	M
Thermal Energy and Power Engineering	B
Traffic and Transportation	B
Traffic and Transportation Planning and Management (K)	M, D

Traffic Engineering	B
Traffic Information Engineering and Control (K)	M, D
Transportation and Logistics	M, D
Transportation-Means Operation Engineering	M, D
Underground Engineering	M, D
Urban Railway Engineering	M, D
Urban Traffic Engineering	M, D
Vehicle Engineering	M, D
